

SUPER DELUXE Series

• Sandwich Salad Unit •

Insulated Pan Cover
High Quality Stainless Steel Interior and Exterior

*** New NSF standard 7**

Meets the NEW Standard 7 requirements for cooling of the storage cabinet and food pan. Complies with and listed under ANSI / NSF-7.

*** Excellent Cooling System**

The powerful forced-air refrigeration system hold the pan and storage cabinet in a constant temperature. Evaporator fans and a newly designed louver allows uniform distribution of cold air over the food pan to keep the food temperature within the New NSF Standard 7.

*** Clean & Durable ABS interior (TST-48SD, TST-28SD)**

No joint-gap, NSF approved ABS sheet and highly dense polyurethane forming perfectly keep the cool air inside and makes it easy to clean.

*** Stainless Steel Louver**

Stainless steel Louver allows distribution of cold air to reach all comers of the unit. It is also built to withstand against food acids and stains, which makes for easy clean up.

*** Self-contained System**

No plumbing required. Simple installation.

*** CEC. California Energy Commission Certificated**

*** MEA. City of New York Building Department Approved**
